spring LUNCH MENU

We use the finest local, organic and sustainably produced ingredients.
All fruits, nuts, vegetables, grains and flours are organic and sourced as local as possible.
Our meat & poultry is antibiotic- and hormone-free.
We only serve sustainably harvested seafood.

“At Alder Wood Bistro, sustainability goes into every plate we serve and beyond. It includes the way we contribute to the livelihoods of local farmers and farmworkers, preserving farmland and improving soils through organic farming, practicing conscientious harvests of foraged food products. We sustain food traditions, honoring centuries of knowledge by agrarian people, who understand the cycles of season and harvest to bring food to the table in its most flavorful and nutritious forms. We provide sustenance, when fresh, nutritious food enters your body, nourishing you with natural ingredients, satisfying you with flavor and substance.”
